IN DA SURF CAMP & SCHOOL SUMMER SURF CAMPS FOR KIDS 2020

As the highly-rated surf school in providing surfing lessons for children by the parents, In Da Surf now offers fun, safe, and educational summer surf camps programs for kids. Our summer camps will run from June to August 2020. We offer semi-private surfing lessons (2 to 1 ratio) to ensure the highest quality safety practices and personalized attention for each child with a family-style atmosphere. We have coordinated with the local government and we will apply the health protocol recommended by the government during the summer camps.

In Da Surf Summer Surf Camps helps students to learn and improve their surfing skills by providing:

Surf lessons:

- Surf Basic - paddling, catching waves, popping up
- How to read waves
- Ocean awareness : Surf safety, etiquette,
- Turning techniques: Riding down the line, timing, body positioning
- Surf spot analysing
- Mental preparation

Theory lessons:

- Waves, tides, type of surf breaks, safety
- Paddle techniques and analyzing
- Understanding your equipment (surfboard design, different shapes, surfboard care , waxing, how to choose the surfboard)

Our summer camps are suitable for children and teens from ages 8-14.

TESTIMONIALS

"Excellent experience for my daughter and I really can't imagine you could find better teachers in Canggu. She was a complete beginner but the Inda Surf family made her feel special, gave her confidence and she has fallen in love with surfing."

- Liz Ford

"Thanks again for such an awesome trip. We had a blast and the kids have just arrived home extremely excited but sad. They have told their parents how awesome it was so thanks again. Hope to see you all in the near future."
